

D-Day!

Donate

Don't

Dump!

We're asking you to help us change lives by donating one **quality** item to sell in our charity shop...

What is Trussell Trust D-Day?

Trussell Trust D-Day is part of a nationwide campaign to see more **quality** items given to charity shops. The idea is you, your organisation, school, church or group choose a 'D-Day' date when everyone donates a quality item to The Trussell Trust to help raise funds.

How does it work?

For businesses, schools, churches and groups...

It's easy! You pick your 'D-Day' date, The Trussell Trust will then come and speak to your staff/pupils/members about 'D-Day' before the event, then on 'D-Day' we will come and pick up the quality items you have collected and say a big thank you to all involved.

For individuals...

You pick your 'D-Day' date and on your 'D-Day' you bring a quality item to The Trust marked 'D-Day donation'. Or you could get your friends involved too and get everyone to bring an item to your house on 'D-Day' - and if there's more than a car full we'll happily come and pick it up!

Why get involved?

Local charity, The Trussell Trust, urgently needs to raise more funds to help people who've hit crisis to get back on their feet. More people are coming to us for help here in Salisbury, across the UK and in Bulgaria. Your quality item will help us to change lives.

D-Day changes lives, is eco-friendly and fun too
