

HEAD OF SCOTLAND

APPLICANT INFORMATION PACK

WELCOME FROM EMMA REVIE, CHIEF EXECUTIVE

The work of our foodbank network is inspiring but we face significant challenges ahead. Between 1st April 2018 and 31st March 2019, The Trussell Trust's Foodbank Network distributed 1.6 million three-day emergency food supplies to people in crisis, a 19% increase on the previous year. More than half a million of these went to children.

I want to see the end of the need for emergency food services in our country, to work with Government to ensure that our benefits system provides a genuine safety net for people and work is paid a fair wage, allowing individuals and families to thrive rather than just stave off crisis.

Although the recent Budget marked a positive step forward, there is still much more to be done and we will continue to work through the foodbank network to bring further change.

Working for The Trussell Trust means making a difference in people's lives. To continue our vital work, we rely on a team of dedicated people. Come and join one of the fastest growing charities in the UK!

WHAT WE DO

Our aim is to end hunger and poverty in the UK. We support a nationwide network of 1,200 food bank centres across the UK.

Together, we provide emergency food and support to people locked in poverty, and campaign for change to end the need for food banks in the UK for good.

In the UK, more than 14 million* people are living in poverty - including 4.5 million children. As a nation, we expect no one should be left hungry or destitute, and we owe it to each other to make sure the right support is in place when we need it most.

It's simply not right that we live in a society where so many people are locked in poverty.

Together, we can end hunger and poverty in the UK.

*14.2 million people in the UK population are in poverty.
