## Welcome from Emma Revie, Chief Executive

The work of our foodbank network is inspiring, but we face significant challenges ahead. Between 1st April 2019 and 31st March 2020, food banks in the Trussell Trust network distributed 1.9 million three-day emergency food supplies to people in crisis, a 18% increase on the previous year. More than 700,000 of these went to children.

I want to see the end of the need for emergency food services in every nation of the UK, to work with governments at every level to ensure that our benefits system provides a genuine safety net for people and work is paid a fair wage, allowing individuals and families to thrive rather than just stave off crisis.

Working for the Trussell Trust means making a difference in people's lives. To continue our vital work, we rely on a team of dedicated people. Come and join one of the fastest growing charities in the UK!

**Emma Revie**  
Chief Executive

## What we Do

Our aim is to end hunger and poverty in the UK. We support a nationwide network of 1,200 food bank centres across the UK.

Together, we provide emergency food and support to people locked in poverty, and campaign for change to end the need for food banks in the UK for good.

In the UK, more than 14 million\* people are living in poverty - including 4.5 million children. As a nation, we expect no one should be left hungry or destitute, and we owe it to each other to make sure the right support is in place when we need it most.

It's simply not right that we live in a society where so many people are locked in poverty.

**Together, we can end hunger and poverty in the UK.**

## Our values

The Trussell Trust is committed to community built on diversity, tolerance, cooperation, and mutual respect. We want to contribute to society and demonstrate social responsibility.

Our values are **Compassion, Justice, Community and Dignity.**

These are reflective of the values we see embodied throughout the Trussell Trust network of food banks.

Whilst we recognise that charities, churches and organisations running food banks may hold additional or distinctive values, these are the values which we hold together as a network, and by which we hold one another accountable.

## How we Work

Our head office is based in Salisbury in Wiltshire, with satellite offices in London and Coventry.

We also have team members based across the UK supporting food banks at a local level.
