HOW TO USE YOUR MATCHED GIVING FORM

The Trussell Trust supports a nationwide network of over **1,300** food bank centres and together we provide emergency food parcels to people locked in poverty, and campaign for change to end the need for food banks in the UK.

In the UK, more than **14 million people** are living in poverty – including **4.5 million children**.

Our vision of a future without the need for food banks can only be achieved by working together to support people facing hardship today, and by ensuring that everyone has enough income to live on in the future.
