Stop UK Hunger

**SUMMER
OF GIVING**

- @TrussellTrust is supporting people across the country who are facing a cost-of-living crisis. Inflation has reached a thirty-year high, fuel and energy costs have dramatically increased and this is on-top of the Universal Credit cut of £20 a week. #costoflivingcrisis
- We're supporting @TrussellTrust's Give Your Voice challenge because we want to see a future where no one needs to use a #foodbank. It's time for positive change.
- The #costoflivingcrisis is making people in the UK regularly face impossible decisions where their only option is to either skip meals to provide food for their children or heat their home.
- We all need the security and stability of a strong social security system, not just during a national crisis, but every day. Everyone should be able to afford the essentials in life and have the dignity of buying their own food. #costoflivingcrisis
