

DIY SUPER SWEEPSTAKE!

It can be anything you choose, from a sporting event to guessing the weight of a colleague's baby. Make it relevant to your office or group of friends.

How to play

1. Fill out the boxes below with all the teams/players/answers or equivalent relevant to your sweepstake
2. Ask your colleagues and friends to make a guess and add their name in the box for a suggested donation of £2
3. The person who guesses correctly or the closest will win a prize of your choice

If you want to do a lucky dip style sweepstake for something like a sports event, fill in the boxes as above.

Cut out the boxes, fold them up, and put them in an envelope. Ask your colleagues and friends to draw at random for a suggested donation of £2. Print a blank copy of the sweepstake form and write the persons name against the team / name that they have chosen.

Please donate £2 (suggest minimum) and support the Trussell Trust. Write your guess and name in one of the boxes. The person who guesses correctly or the closest will win.
