

Philanthropy Executive - Trusts

APPLICANT INFORMATION PACK

www.trusselltrust.org

Welcome from Emma Revie, Chief Executive

Thank you for your interest in joining the Trussell Trust.

Last year, food banks in our network provided more than 2.1m parcels to people across the UK. This represents an increase of 14% compared to the same period in 2019/20. Over 830,000 of these went to children.

As the cost of living continues to soar, people who can least afford it, are feeling the impact the most. The work of our food bank network is inspiring, but it shouldn't be needed.

Our vision is for a future without the need for food banks. It's an ambitious goal, but we believe it's achievable. To get there, we need to work with governments at every level to ensure that our benefits system provides a genuine safety net for people and that everyone is paid a fair wage. Everyone should be able to thrive, not merely survive, because they don't have enough income to cover the essentials we all need.

Working for the Trussell Trust means you'll be making a real difference to the lives of people across the UK. To continue our vital work, and realise our vision, we rely on a team of dedicated people who share our goal. We hope you'll be part of that team!

Best wishes

Emma Revie
Chief Executive

We support more than 1,300 local food banks across the UK, providing practical, community-led support for people facing hardship.

But emergency food isn't a long-term solution to hunger. People need food banks when they don't have enough money for essentials. It's not right that anyone needs a food bank to get by. That's why we campaign for change to end the need for food banks in the UK and work with communities across the UK to change the things that push people to need a food bank.

We bring together data and evidence from food banks and the people who need them across the UK, gathering powerful information on our society. Our research projects give the most in-depth picture of who needs a food bank and why, helping us co-create and advocate for solutions that will ensure all of us have enough money to cover our basic needs.

We believe that, in coming together, we will build a future where none of us need a food bank, because none of us will allow it. That's why we launched our five year [strategic plan](#). We know our goal to end the need for food banks is ambitious, but by working Together for Change, we believe it is achievable.

Our values are the fundamental driving principles that underpin our work. Developed in consultation with food banks, our values encapsulate the spirit of what it means to be part of the Trussell Trust and our network.

Our values are:

Compassion: We stand in solidarity with people that need the help of food banks. We put the wellbeing of people served by food banks above everything else. We always uphold and protect their dignity.

Justice: We are motivated by a desire to see a more just society. It's not right that anyone is facing hunger and poverty. Everyone should have enough income to afford the essentials.

Community: We believe we share the responsibility to support one another in our communities. To create change, we must work together for a fairer society.

Dignity: We recognise the innate value of each individual person and seek to prioritise the other person's needs and concerns in the spirit of mutuality and friendship. Regardless of background.

Our team members are based in all four nations of the UK, supporting both our national work and food banks on a local level.

Our support for the food banks in our network, as well as our campaigning work is delivered through seven directorates, all of which report into our Chief Executive. These are:

- Corporate Service
- Network Operations
- Network Programmes and Innovation
- Participation
- People and Inclusion
- Policy, Research and Impact
- Public Engagement
